The art of inspired pamper.

POP SERIES

glass[®]
 inspired by water

Visualise a geometry of well-being and superior materials that turn a bathroom into a harmonious living space, programming your very essence.

Imagine a hydromassage world that's all about a combination of water and movement that sparks off a creative flow further stimulating energy, ideas and excellence.

Presenting a contemporary water art collection stemming from a tie-up between Jaquar, a globally renowned Superbrand and complete bathing solutions provider with Italian-based Glass Idromassaggio, SRL that specializes in hydromassage systems.

A collection of Whirlpools and Airpools in different models and styles, the Glass POP series incorporates the many facets of the word inspiration in its modern fittings.

A blend of vitality & versatility, the Glass POP series have all the design features and superior materials that complete all possible needs of being pampered.
